15/78	To Receive any Declarations of Business Interests	
	There were no declarations of business interests.	
15/79	To Agree the Minutes of the Previous Meeting	
	The minutes of the meeting held on Monday 21 September 2015 had been	
	circulated prior to the meeting. The minutes were agreed as a correct	
	record and signed by the Chair.	
	It was noted that Dishard had agreed to be the Load governor for	
	It was noted that Richard had agreed to be the Lead governor for	RN
45/00	Curriculum & School Improvement instead of Jayne.	KIN
15/80	To Consider any Matters Arising from the Minutes	
	The Primary School Education Forum had not been attended due to the	
	weather conditions.	
	Governor SIN meeting – had not been attended as when Jayne turned	
	up there was no-one at the venue.	
	The PE grant format had changed and Richard had re-written the	RN
15/81	application and would be sent to the Headteacher for completion.	KIN
15/61	To Consider the Headteacher's Report The Headteacher's report was circulated at the meeting:	
	Number on roll 252 in ten full time classes – good funding.	
	 Staffing changes – new staffing structure in place. Two new members 	
	of staff have settled in well. Rachael Dobson has resigned and would	
	advertise for a two term contract. Hannah Eyles would be undertaking	
	maternity leave with effect from Easter.	
	Looking at the same structure for next year. Looking at the same structure for next year.	
	 The pupil premium reviews were circulated with the report – there is 	
	quite a stable need for this funding. The staff has managed an	
	extraordinary amount of mobility which has had an impact on	
	workloads. The impact evaluation in terms of being able to target the	
	support is important. Part of the funding helped to structure the extra	
	class.	
	Jayne asked whether the funding should be used for an extra	
	class – the Headteacher explained how the extra class helped with	
	the large numbers of pupils in school and mitigated the effect of	
	this.	
	Kate asked about The Zone staffing – it was noted that this was	
	not happening at the current time. It was noted that the funding	
	was used for lunchtime cover for vulnerable children and would	
	be reworded.	
	The data information was outlined in the report and work was on-going	

including evaluating the school against the Ofsted Framework. This will be moderated on 25 November 2015 by the new School Improvement Adviser, Lis Marsden. Evidence would be gathered on current practice and use this as well as the historical data. There are progress and attainment issues in the Y6 KS2 data and this would need to be explained in terms of pupil mobility. In terms of Leadership and Management the summer EDA visit presentation included a wideranging breadth of leadership in school and looking at the criteria should still be within outstanding but would need to be justified. The North Yorkshire schools profile had been sent to Governors for their information and the data priorities explained to Governors. The KS1 data was really good as was the EYFS data although individual pupils often do not transfer from EY to Y2 due to mobility. In KS2 the data is very different with writing coming out broadly in line with national percentages. However Maths and Reading were below. It was noted that it was a small cohort. The combined average point score had been maintained. The areas for School development are ensuring good pupil progress, pastoral support, leadership and management including governance, curriculum, planning and assessment, staff CPD, SEN including DQM/IQM audits and subject development (science/PE/At and MFL). The school would like to bid for RAF Leeming Community Primary School to be a lead school for assessment co-ordinated with other primary schools in the area. Jayne asked whether this would increase workload – the Headteacher explained that the wider leadership structure would be maintained which should give the capacity to undertake this role and the school would like to bid for RAF Leeming Community Primary School to be a lead school for assessment with the ability to monitor impact. DQM/IQM audits and subject development (science/PE/Art and MFL). The school would like to bid for RAF Leeming Community Primary School to be a lead school for assessment co-ordinated with other primary schools in the area. Jayne asked whether this would increase workload – the Headteacher explained that the wider leadership structure would be maintained which should give the capacity to undertake this role and the school would be attending the events anyway as part of the Swaledale Alliance. Resolved: That a bid be submitted to be a lead school for assessment with the ability to monitor impact. 15/82 To Receive an Update on School Collaboration: Swaledale membership: SLE roles: Moderators Y6/Y2; PE ST; Lead school for moderation This had been covered under the Headteacher's report. 15/83 To Receive School Performance Data 2014-2015: EY/KS1/KS2 The performance data had been explained in the Headteacher's report. 15/84 To Consider Key School Development Priorities The school development priorities had been explained in the Headteacher's report. 15/85 To Receive an Update on Headteacher Recruitment All of the governors have been involved in the start of the process for the Headteacher recruitment.
