

Service Pupil Premium (SPP) Strategy Statement, 2020-23

1. Summary Information							
School	Leeming RAF Community Primary	Current Year	2020-21				
Strategy Period	2020-23	Total Current SPP Budget	£ 61,070	(197 x £310, Jan 2020)			
Total Number of Pupils	182	Number eligible for SPP	180	Date of next review	September 2020		

Attainment information for service pupils is not presented here, as the primary focus for SPP is on pastoral care, guidance and support, rather than academic outcomes. However, due to the fact that 99.2% of our school are service pupils, their academic and progress information can be ascertained from the 'Achievement' tab on our website.

2. Spe	2. Specific Challenges and Barriers to Overcome						
Servio	e-Linked / Contextual Barriers						
А	Disrupted home life due to parental deployments and service issues, with commensurate rise in SEMH challenges, emotional vulnerability, anxiety and, in severe cases, mental health issues.						
В	Transition and movement between schools (both in and out of Leeming). These transitions precipitate rise in SEMH issues, friendship concerns, anxiety and stress for pupils, and generate additional administrative burdens on teaching and support staff.						
С	Gaps in learning as a result of pupils studying different curricula in a variety of locations and even languages (e.g. Slovakian, Welsh), resulting in anxiety and loss of confidence as pupils approach learning that their peers are secure in but they are new to.						
D	Above national % of pupils with SEND, especially SEMH, C&I and ASD issues. These pupils are particularly vulnerable to the contextual issues listed above.						
E	Pupil experience is diverse; many service pupils have a rich life experience having travelled widely and engaged with a range of cultures and societies. However, a significant number of SPs are unable to embrace wider opportunities of the area and other educational experiences. This can be as a result of the geographical limitations (e.g. living behind the wire with parents who don't drive) or of other factors (e.g. finance, opportunity, spousal deployments etc.).						

3. O	3. Outcomes							
	Desired Outcome	Success Criteria						
A	Pupils are supported with pastoral issues.	Children speak of having a strong support among staff (conferencing) Pupils with deployed parents have opportunities to access 1:1 care (records) Availability of proactive and reactive pastoral support for vulnerable children (records) Parents have point of contact for pastoral concerns (communications) SEMH programmes delivered for vulnerable pupils (observations) Emotion Coaching principles in evidence, overseen by PM (learning walks) Service life is championed and celebrated throughout school (learning walks, observations, records)						
В	Pupils and families are supported during times of transition in and out of Leeming.	 1:1 sessions for all arrivals and leavers (records) Booklets produced to explore process of transitioning school (scrutiny) Administrative liaison smooth for all transitions (records, common transfer files, data, books) Child protection and SEND records are appropriately managed and rapidly transferred (CPOMs records) Families have access to signposting and resources to support with transition (records) 						
С	Pupils' wellbeing and confidence is supported by interventions, additional provision and guidance to address academic issues.	Gaps in learning are rapidly identified on entry (RS assessments) Tracking of progress is meticulous and detailed to prevent gaps being 'missed' and reduce excessive over-learning/ repetition (Insight data) Intervention programmes (e.g. Success @ Arithmetic, Reading Intervention) are offered to pupils at risk of falling behind or who have gaps (observations) Additional adult support is available in classes to scaffold vulnerable learners and settle new pupils (learning walks, staffing records)						
D	Pupils with SEND well supported at all levels – quality first teaching, targeted support and specific provision.	New SEND pupils rapidly identified, supported and provided for (IPMs) EHCPs secured for highest need pupils (minutes, statements) Staff effectively supported in managing high needs pupils (learning walks, staff conferencing) Pupils with SEMH / ASD effectively supported and behavioural incidents managed well (CPOMs records)						
E	Pupils offered a range of enriching educational experiences providing a dynamic curriculum, and purposeful learning to support pupil wellbeing and integration with civilian community	Range of subsidised trips offered across all key stages (records of visits) Range of subsidised educational visitors offered across all key stages (learning walks) Range of sporting and cluster events accessed by pupils to enable them to spend time with peers from other schools (records of visit)

Please see separate 'Service Pupil Premium Impact Statement – Academic Year 2019-20'

It is noted that as a result of the high impact of a number of the school's approaches over time (see below for commendations and citations of best practice), many chosen approaches are similar / identical to those used in the previous year. Expenditure is always critically evaluated and ways of working are improved; however, since many of the contextual barriers remain unchanged (but feature different pupils every year), the strategies for addressing them need a measure of consistency also.

6. Additional Detail

The school's use of the SPP has been praised by a number of external sources, including the <u>SCiP Alliance</u>, RAF Families' Federation, the Children's Commissioner's Office (based in the DfE), the Local Authority, and through various peer reviews. Further information on this can be found on the website.

The above strategy statement is also supported by a <u>Best Practice Case Study</u>, and the <u>Service Premium Guide for Stakeholders</u>, which add further detail about our allocation of the SPP in school.

The Service Pupil Premium is used alongside the Disadvantaged Pupil Premium (DPP) in certain cases (where DPs are also Service Pupils). For further information on the way in which the school uses the Disadvantaged Pupil Premium, see the Disadvantaged Pupil Premium Statement.

The school was subject to a Collaborative Pupil Premium Review undertaken with the Teaching School Alliance of which we are part in 2018. This review determined that SPP was used effectively to support vulnerable pupils; it was noted: "Staff knowledge of PP is strong. They are aware of the need and how the use of PP supports the developments." / "Pastoral Care is a significant strength" / "The children display good conduct behaviour throughout the school" / "Children take part in purposeful activities and their learning is moved forward effectively by a knowledgeable and effective team of practitioners who know their children well."
