

## PE Premium Key Priorities and Spending Rationale, Statement of Impact 2022-23

### Introduction

This document is based on the work commissioned by the DfE undertaken by the Youth Sport Trust and the AFPE. It outlines the priorities and rationale behind the allocation of funding. It is to be noted that funding breakdown included herein is for guidance only, as this is determined on the basis of a financial year. Our highly mobile context means that it is difficult to predict the exact amount of funding that will be available to us across the academic year, and how this might impact our strategic priorities.

The targets herein were, in a number of cases, carried over from the previous year. Some reallocation of resources took place and new targets / actions have been added. Evaluation has been RAG Rated according to impact over both last period and this AY; some actions have had **positive impact** in spite of limitations, others partially went ahead but were hampered and thus have **reduced impact**, whilst a small number were cancelled altogether and thus had **no impact**.

In terms of overall spending, a separate report is tabled to demonstrate how much of the Sport Premium has been carried over (in accordance with government permissions).

### Overarching Objectives

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>- Achievement of AFPE Quality Mark (Revalidation – December 2022 - See detailed audit on website). <b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>					Percentage of total allocation: 15%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Continue to provide excellent sporting offer, which is tailored to children's needs and interests.	Pupil survey and conferencing used to identify children's areas of interest and identify possible new opportunities.	SL Release Time £250	Relaunch of a number of clubs and activities. Uptake much improved this year. Consideration of external providers for next AY.	Participation in extracurricular clubs increases. All staff to be asked to run at least one (PE-based) after school club next year	
	Use of TAs in order to offer quality provision. Ensuring a legacy of in-school expert PE coaches	Staffing £1,250	HLTAs to be requested to run clubs next year – not utilised this year due to other demands (e.g. SEND)	Continue to use funding to support this for TAs.	
	Purchase of equipment to support, maintain and offer new sporting opportunities to children	Equipment £300	Some new equipment purchased to facilitate PE lessons, being used effectively	- Continue to increase % of children attending, particularly KS1

Academic Year: 2022-23		Total fund allocated: £17,750		Date Updated: July 2023	
<b>Key indicator 5: Increased participation in competitive sport</b>					Percentage of total allocation:
					10%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Offer children with wider range of differing abilities and experience the chance to compete in calendar of competitive sport.	Use of funding to transport wide range of pupils to Level 1, 2 and 3 sporting events throughout the year.	Transport £750	Significant improvement in engagement from COVID period; however, not yet back to pre-pandemic levels due to staffing issues and external facilitation challenges	Take a proactive lead in ensuring Level 1,2 sports take place next year – through PE Lead's role as Network facilitator.	
	Continue to be part of the Bedale Cluster to increase opportunities for participation in competitive sport. Enter more competitions – allowing for more children to be involved. Enter more 'B' teams	Release time / supply cover £750	Cluster events restarted and some teams entered. However, due to late scheduling by external partners, impact limited.	Continue to support external partner in delivering opportunities in cluster and uptake all opportunities. Develop better strategies of transport so that opportunities are events are not missed. PE Lead to organise, staff and delegate leadership of events to ensure consistency.	
Develop opportunities for more intra-school competition within PE lessons and explicit in-school competitions.	Sports mentors and staff with expertise in PE areas to co-ordinate and organise competitive opportunities within school.	Fees and Events £500	Sports Mentors relaunched, but challenging as no prior experience.  Issues with staff capacity have meant this initiative has not launched this year and will be scheduled for next AY.	Involve SMs in planning intra-school competitions that can be completed in PE slots / lunchtimes etc.	

N.B. The indicative funding allocations listed above do allow for a 5% contingency for addressing specific in-year priorities, such as new equipment purchases, swimming subsidies etc. These are listed on the Funding Allocation statement, and include a contribution to swimming for pupils unable to afford payments.
